# 2023 Nature Notes

*Featuring short interactive nature lectures on topics of local interest*

## *Managing Invasive Plant and Forest Pest Species*

Join Upper Thames River Conservation Authority's Brandon Williamson (Land Management Coordinator) as he discusses managing the negative effects of invasive plant and forest pest species. Of special interest to the Lawson Nature Reserve, where phragmites is a significant cause of concern.

**Wednesday, March 15 @ 7:00-8:00 p.m.**  
**Ingersoll Public Library, Meeting Room**
